

Summer Reading Recommendations

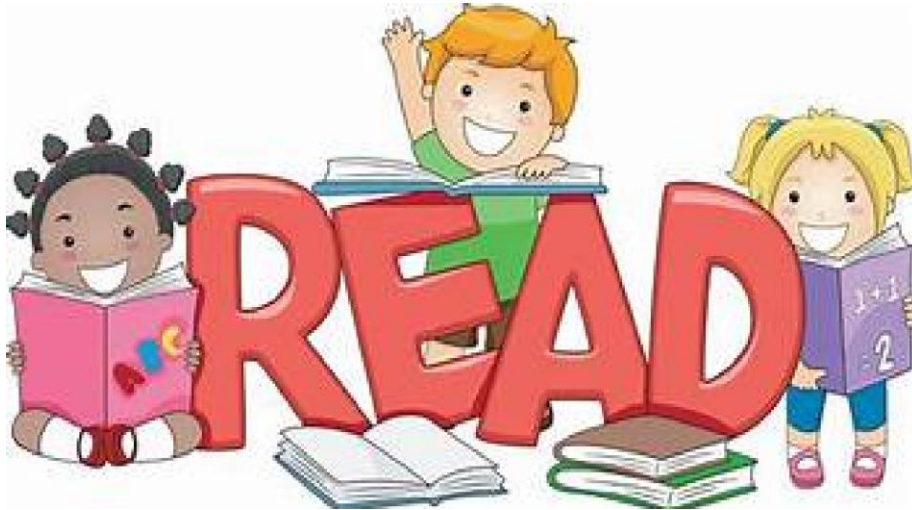

Grade 1

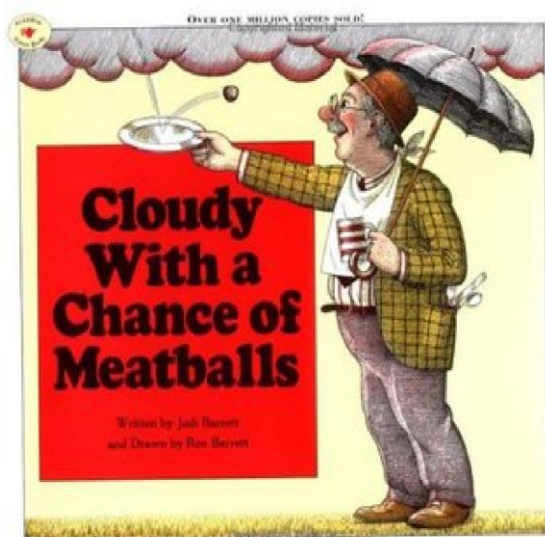

Assalamu Alaykum Parents,

I compiled a list of books for summer reading.

Students have to choose and read any three books of their choice from the list. And they also have to complete the writing activities/assignments from these three books.

Three different activities would need to be completed for the three books they chose to read.

Book Report

Choose one of the stories and make a Diorama in a shoebox.

How to make a Diorama?

If you go to “ **Howcast.com**” you will find ideas on how to make dioramas in the shoebox.

Some examples of Diorama :
